**ELISABETH VON TRAPP**  
 Main Stage and  
 Arts in Education Series

For Elisabeth von Trapp, granddaughter of the legendary Maria and Baron von Trapp, "the sounds of music" are part of her earliest memories. Elisabeth's concert repertoire ranges from Bach to Broadway ... Schubert to Sting. With equal ease and eloquence she sings timeless wonders like Rodgers and Hammerstein's

Favorite Things and Edelweiss, Lieder by Mozart, Puccini's O Mio Babbino Caro, soaring gospel tunes, pop classics like A Whiter Shade of Pale and her own stunning compositions.

October 24, 2009 • 3:00pm  
**SHAKESPEARE TO GO!**  
 Arts in Education Series

Our first "in-house" touring production! Area schools create theatrical backdrops and the best one appears on stage at the Tryon Fine Arts Center for the production.

Using the talents of high school students from Polk County and Upstate South Carolina, Tryon Fine Arts Center is producing "Shakespeare To Go" and taking the production to students throughout the Foothills area. Watch as the troupe of actors arrives ready to give a 40 minute performance. A lot of fun and laughter happens as these guys literally get their act together. Student audiences relate to the comic crew of student actors – and barely notice as the troupe transitions into scenes from Shakespeare's *A Midsummer Night's Dream*, *As You Like It* and *The Taming of The Shrew*. All this, plus a scene from *Romeo and Juliet* performed by our own Polk County Middle School!

November 10, 2009 • 8:00pm  
**SENTIMENTAL JOURNEY: VOICES OF WORLD WAR II**  
 Main Stage Series

A musical tribute to the heroes of World War II — the ordinary men and women who did extraordinary things, whether on the front lines or the home front. Over 100 veterans, their wives and children were interviewed for this project, and their collected stories, both harrowing and hilarious, are woven into the tapestry of this one-of-a-kind musical revue that features 32 of the best-loved songs of the 1940s.

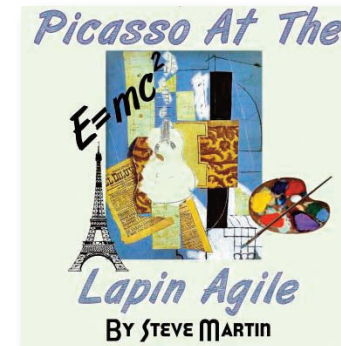

December 3, 2009 • 7:30pm  
**"DO-IT-YOURSELF" MESSIAH**  
 Community Outreach

When Messiah was premiered in Dublin in April 1742, the crowd was expected to be so large that the ladies were asked to attend sans hoops in their skirts and gentlemen sans swords. We expect the same consideration from the large audiences at this year's performance while we renew this great Tryon holiday tradition.

January 28-30, 2010 • 8:00pm  
 January 31, 2020 • 3:00pm  
**PICASSO AT THE LAPIN AGILE**  
 In Partnership with Tryon Painters & Sculptors

In a legendary bar in 1904 Paris, a chance encounter between the young Einstein and Picasso sets sparks and stars flying. What does the world look like to a genius on the verge of transforming it? Their views on sex, fame and the future collide amidst an eccentric constellation of characters. Steve Martin's first full-length comedy for the stage delights and surprises in an evening of magical realism, quick wit and contagious laughter.

March 5, 2010 • 8:00pm  
**YESTERDAY & TODAY AN INTERACTIVE BEATLES EXPERIENCE**  
 Main Stage Series

Rock to the music of the Beatles in an all-new interactive concert experience where the audience creates the playlist for the night! There's no denying that everyone has a Beatles song attached to an event in his or her life. Through laughter and personal stories, Yesterday & Today connects the audience and performers in a way like none other. Each performance becomes a unique and remarkable event.

With dead-on musical precision and stunning set designs, Tryon will be immersed in the sights, sounds and memories of the 1960s.

April 12, 2010 • 7:30pm  
**GEORGE WINSTON**  
 Main Stage Series

George is best known for his seasonal solo piano recordings: Autumn, Winter into Spring, and Summer, which are in his melodic folk piano style. He is also recognized for his themed albums: Forest, Plains, and Montana – A Love Story, as well as his albums dedicated to composers: Linus & Lucy – The Music of Vince Guaraldi, and Night Divides the Day – The Music of the Doors.

In concert George Winston also plays New Orleans R&B Piano, stride piano, and some of the compositions of the late jazz pianist Vince Guaraldi.
